It's an exciting new era on the moon! You're the first ever generation born on the lunar surface! Growing up in your Lunar Base, you'll build it into a lunar ecostation filled with all the amenities you'll need to make your life on the moon as comfortable as possible. For the first time you can explore and follow your own lunar interests, rather than automatically doing the task designated by the planet's sensors. Each lunar exploration will take you into an uncharted territory, with new lifeforms and dangers to be encountered, so adventure is in your future. At the Lunar Base you'll be able to construct buildings to create a Lunar Eco System. You'll be able to visit the planetarium and experience the real feeling of living on the Moon. Earning credits will allow you to buy advanced appliances and upgrades for your future Lunar Home. Play the game on different difficulty levels and switch effortlessly between the classic mode and the 9 player online mode. Once you're ready, you're ready! This is the first game in our series on the moon. The Games On The Game of Life 2 - Lunar Age, you'll meet new challenges every step of the way - which will test your limits. Join your friends and family for a journey you'll never forget, discover the different environments in The Game of Life 2 - Lunar Age, and all the elements of its story. Adopt a pet, have a baby, or rock the Retro Futuristic style. Your choices will determine your future on the lunar surface.
